

We would love as many children as possible to take part
in the Mardi Gras Carnival this year!

Workshops run on Tuesday's after school from 3-4.30pm.

The sessions have started, however if your child would like to attend then they are more than welcome to attend next week or after half term. The club is open to all the children in the school and we are sufficiently staffed to allow children to attend without a parent.

The Mardi Gras Carnival is on **Saturday 1st July from 1pm** (to come to the workshops, children **must** be able to attend this and be accompanied by a parent/guardian over 18).

Please let the office know if your child would like to attend on the 23rd May and just come along or complete the ASC Booking Form to book your child on after half term.
